

Arena Building Checklist

Your step-by-step guide. From the first meeting through project completion.

After contacting Sprung Performance Arena and arranging meeting with team member, it's time for the pre-construction and construction phases to get underway.

Here's a sample checklist:

1. Pre-Construction

First Meeting

- Architectural and engineering included

Second Meeting

- Meet Balon project manager
- Review site
- Confirm plans
- Review financing

Third Meeting

- Sign contract with project manager
- Initiate Geo Tech study
- Receive SPA stamped drawings
- Provide site survey
- Provide topographical study
- Submit DP drawings
